2009 – 2010 Trophy & Management Hunts

NO PEN RAISED
 NO OUTSIDE OR NORTHERN GENETICS

The Triple *B* Ranch located in LaSalle County in the heart of the "golden triangle" of South Texas is pleased to offer a limited number of whitetail hunts for both management and trophy class deer for the 2009/10 season. Established in 1993, the **Triple *B*** has been under an intensive game management program for over 10 years. This program coupled with supplemental feeding has provided the ranch with excellent numbers of mature, healthy bucks in the 2009/10 season. A trophy buck was harvested in November of the 2007 season which scored 186 5/8 B & C scoring. With our supplemental feeding program the upcoming season has high expectations. **The Triple *B*** though somewhat smaller than most trophy ranches (1,000 Acres), offers its guests greater opportunity and a family atmosphere. The emphasis is placed on the harvesting of mature deer. It is not uncommon to see up to 10 bucks a day. All hunts are guided and to add flavor to the venison **each hunter is allowed to take a feral hog or two**. This is an outstanding offer for the discerning hunter and a ground floor opportunity to secure a hunt package at substantial savings.
